PERMISSION TO PUBLISH FORM
Mountaineer Undergraduate Research Review (MURR)

Indicate your agreement to the following terms by signing below and submitting this form to the MURR electronically or by delivering it to Cate Johnson in the ASPIRE Office.

The Author agrees with the following:

• This article is an internal document of West Virginia University
• The rights to the article published in MURR are retained by the Author. The Author may publish their work in any other media, with the exception of another undergraduate publication
• Permission from MURR is not required for the Author to reproduce, republish, or distribute copies of the article in whole or in part
• The Author understands that no promise has been made by MURR that it will publish the article, but it may do so at its sole discretion.
• The Author grants to MURR permission to reproduce and distribute copies, reprints, or duplicates of the article including the use of electronic media such as the internet.
• The Author attests to the fact that this article is an original creation of the Author and that is not under review or has been previously published at any other undergraduate publication
• The Author warrants that the article does not contain any unlawful statements, and does not infringe on any existing copyright, trademark, right of publicity or privacy, or any other third party right, nor constitute a defamation of any person, entity, or product.
• The Author understands that the Author will not be compensated financially for the publication of the article.
• The Author warrants that necessary permission has been obtained from the copyright holders to reproduce any materials, including tables, diagrams, or photographs not owned by Author (Please attach any permission documents).

Mentor Approval Form
Mountaineer Undergraduate Research Review (MURR)

Faculty Mentor/Course Instructor: Please complete this form for each article that you are recommending for review.

Manuscript Information:

Title:__________________________________________________________

__________________________________________________________

Author/s:____________________________________________________

__________________________________________________________

Potential Reviewers:

MURR operates by a blind review process, wherein one faculty member within the discipline of the submission reviews the article prior to publication. To expedite this process please list your suggestions for faculty reviewers.

Potential Reviewer 1:

Name:_________________________________________________ Email:________________________

Department:______________________________________________________________

Potential Reviewer 2:

Name:_________________________________________________ Email:________________________

Department:______________________________________________________________

Conditions on publication:

I approve the above manuscript or short paper for anonymous review and publication in the Mountaineer Undergraduate Research Review. I affirm that the research reported therein is original work prepared by the above named author(s) and has been reviewed by myself as a faculty member. I deem it appropriate for publication.
